

Lincoln County Business License Instructions

Read the Information Sheet handed to you, this is VERY important. Fill out the application and submit the application and cash/check/money order for the amount due. We will then place your application in front of the Board of County Commissioners for approval. They meet on the first and third Monday of each month. Once approved, we will mail you your copy of the Business License, which is to be displayed in a conspicuous place inside your business.

If you wish to mail in your application and fee, you may do so. Send to
